

Invitation

International Summer Camp

8-13 August 2010

If you are 16-25 years you have the opportunity to go to camp in Grebbestad this summer! This west coast jewel is located in the north of the Bohuslän province in Sweden. Here you will get to know other young people who have a family in which the Huntington disease is a fact. You will meet people from Sweden, Norway, Denmark, Aland Islands, Scotland and England.

We will be staying at Grebbestad Folk High School and camp days will be filled with fun activities like boat trips, swimming, barbequing and the exchange of experiences on how the disease affects you and others in your situation. The journey towards Grebbestad starts on Sunday August 8th with the closing on Friday August 13th. It will be a week filled with energy, creativity and joy!
